Dear Mrs. President of the Council,

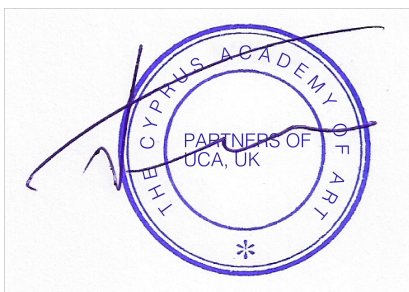

We wish to inform you that the Cyprus Academy of Art will be transitioning its franchised programmes from the University for the Creative Arts (UCA) to Arts University Bournemouth (AUB), beginning with the Academic Year starting in the Fall Semester of 2026.

This transition reflects our commitment to ensuring the highest academic standards for our students. We believe this development will strengthen the academic quality and strategic direction of our institution.

The transition will take place strictly in accordance with CYQAA rules, regulations, and approval processes.

We kindly remain at your disposal for any clarifications or additional information.

Yours faithfully

Yiannis Taliotis, Director,  
BA, MA, Royal Academy of Arts schools, London UK.
