Canterbury Christ Church University is an autonomous higher education institution with degree awarding powers. As such the University can offer degrees in the UK and overseas through franchise and validation agreements.

The courses to be offered at Alexander College through franchise arrangements are:

- MBA in Healthcare Leadership and Management
- MBA Education Leadership and Management
- MSc Tourism and Events Management

The degree awards offered at Alexander College will be identical to those offered to students studying at the University in the UK.

The assessment methods and graduation requirements practiced at Alexander College will be identical to the standards of Canterbury Christ Church University.

The academic and professional qualifications of Alexander College staff who will be teaching on the Canterbury Christ Church University programmes have been approved by the University.

Sincerely

Stephen Lamyman
Assistant Director of International Partnerships & Development
