The EEC met with the head of the institution, the head of the department, the programmes' coordinators, members of the academic staff, and members of the administrative staff, students and/or their representatives and the Internal Quality Assurance Committee.

Additionally, the EEC examined the department's facilities (library, computer labs, labs, teaching classes, research infrastructures, etc.), various documents presented and/or requested by the EEC, the School's/Faculty's structure and the department's position in it, the CVs of the teaching staff and their relationship to the institution as teachers in regard to any other duties and teaching in other programmes of study.

The EEC has documented its findings and recommendations and drew up the External Evaluation Report in the Doc. 300.3.1.

CYQAA Council's Decision

The Council of the Cyprus Agency of Quality Assurance and Accreditation of Higher Education, during its 129th Summit on 15-12-2025, on the basis of Article (20)(2)(f)(i) of the "Quality Assurance and Accreditation in Higher Education and the Establishment and Operation of an Agency on Related Matters Laws" of 2015 to 2021 [L. 136 (I)/2015 - L. 132(I)/2021], and on the basis of the suggestions of the External Evaluation Committee, the comments of the institution on the External Evaluation Committee report and the Feedback report from the External Evaluation Committee, **decided that the Computer Science and Engineering is accredited.**

The current accreditation begins in the Spring semester of the academic year 2025–2026 and ceases to be in effect at the end of the Fall semester of the academic year 2030–2031.

On the basis of Article (4) (c) of the relevant Law, it is noted that "the above accreditation is valid for the period provided by the provisions of the Law and is repeated every five (5) years and that the procedure starts at the request of the institution which must, and shall be submitted at least sixteen (16) months before the expiry of the previous accreditation".

Additionally, on the basis of Article (17)(3)(g) during the period of validity of the Accreditation, the Agency acting of its own motion, may examine whether the criteria continue to be met and if they are not met, then the Agency shall revoke the Accreditation, and immediately inform the institution concerned.
