

AMERICAN COLLEGE

MAJ101 INTERNSHIP

Code MAJ101	Title Internship	
ECTS Credits 6	Department All	Instructor
Semester Fall, Spring or Summer	Cycle First	Language of Instruction English

Description

Internship, is a practical training activity which is directed by the College and takes place at an organization where the student will execute duties related to his/her field of study. The internship allows a student to apply academic knowledge and empirically improve his/her skills in a real working environment. The Internship, which is of 150 working hours, is carried out in any semester of an academic year and is initiated after students complete 30 ECTS credits.

Aim

The internship aims to give students the opportunity to apply learned academic knowledge in working environments, and by meeting real working challenges to develop their professional skills and capabilities.

Learning Outcomes

By the end of the Internship, students are expected to:

- Demonstrate an ability to apply the necessary academic knowledge required by the job position.
- Demonstrate an ability to use effectively and efficiently relevant technology for meeting the needs of the job position.
- Demonstrate an ability to apply the appropriate skills in meeting the needs of the assigned job.
- Develop conceptual skills and be able to analyse correctly situations and take appropriate action.
- Show an ability effectively to carry out roles and functions including planning, organizing, leading and controlling.
- Establish sound accountability.
- Develop sound communication skills.
- Show an ability to work effectively in teams for achieving organizational goals.
- Develop personal ethical standards and values that determine responsibilities to co-workers and the organization.

Prerequisite(s): have completed at least 30 ECTS credits
