Annex 3 - Minutes of Senate meeting**Participation of representatives of distance learning students**

It has been decided that distance learning students elect their representatives on an annual basis, in election procedures that take place until 15/11 of each year, by electing a five-member representation council. The five-member representation council meets as a body and elects a President, Vice-President and members. A representative of the distance learning students' representation council participates with an advisory role at the meetings of the Pedagogical Planning Unit of the Distance Learning Unit.
