

ANNEX 1 - COOPERATION WITH (Name of the company)

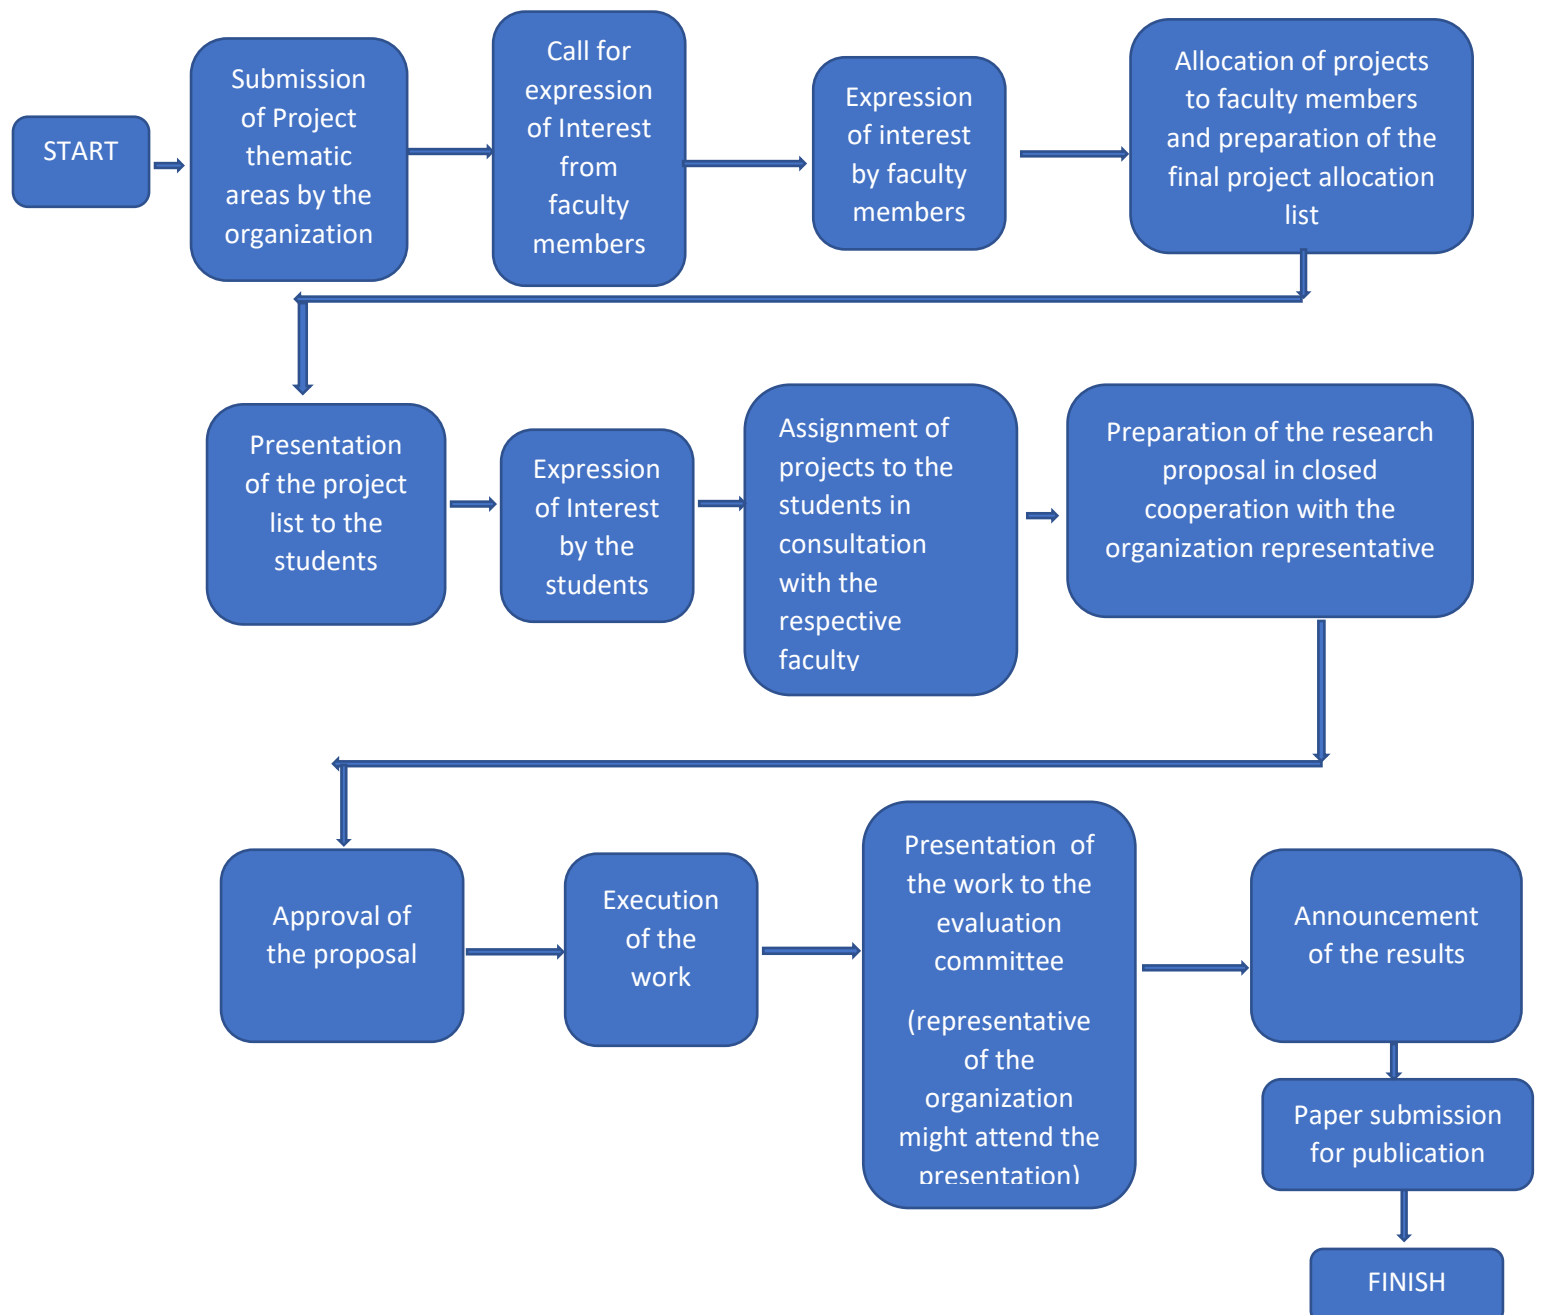

The School of Business Administration is in the process of establishing a closed cooperation with **(Name of the company)** a leading consulting company world-wide.

A memorandum of understanding has been signed between EUC and **(Name of the company)**. Following this memorandum of understating the School of Business Administration has agreed with the above organization to offer a number of prizes in the form of incentives in engaging students studying the Master in Data Analytics in Accounting and Finance, in research and consultancy projects*.

The flow chart presents the process that shall be followed in order to safeguard the successful cooperation of the School of Business Administration with the collaborating organization in implementing this initiative.

After the completion of the procedure the student and the faculty member will have the opportunity to send their work for publication.

*the prizes can be money, an internship, a certificate/ recommendation letter for the company etc.
