**IN ENGLISH: Public Health  
(14 months, 90 ECTS, Master)**

This application is registered in the file with the reference number: **07.14.308.008.001**

In the framework of competences conferred on it by the relevant legislation, the Council of the Agency has constituted an External Evaluation Committee (EEC) which, after initially examining the institution's application for programme evaluation and accreditation, performed an onsite visit at the institution on April 2<sup>nd</sup>, 2024.

The EEC met with the head of the institution, the head of the Graduate School, the programme's coordinator, members of the academic staff, members of the administrative staff, students and/or their representatives and the Internal Quality Assurance Committee.

Additionally, the EEC examined the institution's facilities (library, computer labs, labs, teaching classes, research infrastructures, etc.), various documents presented and/or requested by the EEC, the School's/ Faculty's structure and the programme's position in it, the CVs of the teaching staff and their relationship to the institution as teachers in regard to any other duties and teaching in other programmes of study.

The EEC has documented its findings and recommendations and drew up the External Evaluation Report in the Doc. 300.1.1.

### **CYQAA Council's Decision**

The Council of the Cyprus Agency of Quality Assurance and Accreditation of Higher Education, during its 109<sup>th</sup> Summit on July 15<sup>th</sup>, 2024, on the basis of Article 20(2)(f)(i) of the "Quality Assurance and Accreditation in Higher Education and the Establishment and Operation of an Agency on Related Matters Laws" of 2015 to (Num.3) of 2020 [N.136 (I)/2015 to N.208 (I)/2020], and on the basis of the suggestions of the External Evaluation Committee, and the comments of the institution on the External Evaluation Committee report, **decided that the programme is accredited to be delivered in English.**

**The Agency requires that the institution, within six months and no later than December 20<sup>th</sup>, 2024, sends its plan for the pedagogical preparation of its staff, a plan for a deeper and broader emphasis on the research preparation of all students, as well as a plan for the placement of students in institutions directly related to the work and mission of public health.**

The current accreditation begins in the Fall semester of the academic year 2024-2025 and ceases to be in effect at the end of the Spring semester of the academic year 2028-2029.

On the basis of Article (4) of the relevant Legislation, it is noted that "the above accreditation is valid for the period provided by the provisions of the Law and is repeated every five (5) years and that the procedure starts at the request of the institution which must be submitted at least sixteen (16) months before the expiry of the previous accreditation".

Additionally, based on the Article (17) (3)(f) during the period of validity of the Accreditation, the Agency acting of its own motion, may examine whether the criteria continue to be met and if they are not met, then the Agency shall revoke the Accreditation, and immediately inform the institution concerned.
