Dear Professor Charalambous,

Thank you for your preliminary review as part of the re-approval process for the MBA International programme, offered at Alexander College Paphos through a franchise arrangement with Canterbury Christ Church University, UK.

In response to your observation concerning Section E, please find attached a revised Table B. It clarifies that PG Challenge Module – Industry, Careers and Enterprise Client Project is a compulsory module.

In consultation with Canterbury Christ Church University, we intend to explore additional options under the PG Challenge framework for the next academic period, 2027-2028. We will formally inform CYQAA of any proposed changes in accordance with the applicable approval procedures.

We also enclose the relevant ERGANI records for the programme's teaching staff.

Please let us know if any further information or clarification is required.

Yours sincerely,
