In the framework of competences conferred on it by the relevant legislation, the Council of the Agency has constituted an External Evaluation Committee (EEC), which after initially examining the institution's application for programme evaluation and accreditation, performed an on-site visit at the institution on 13 October 2025.

The EEC met with the head of the institution, the head of the relevant department, the programme's coordinator, members of the academic staff, members of the administrative staff, students and/or their representatives and the Internal Quality Assurance Committee.

Additionally, the EEC examined the institution's facilities (library, computer labs, labs, teaching classes, research infrastructures, etc.), various documents presented and/or requested by the EEC, the School's/Faculty's structure and the programme's position in it, the CVs of the teaching

staff and their relationship to the institution as teachers in regard to any other duties and teaching.

The EEC has documented its findings and recommendations and drew up the External Evaluation Report in the Doc. 300.1.1.

CYQAA Council's Decision

The Council of the Cyprus Agency of Quality Assurance and Accreditation of Higher Education, during its 132nd Summit on 10 March 2026, according to the Article (20)(2)(f)(i) of the "Quality Assurance and Accreditation in Higher Education and the Establishment and Operation of an Agency on Related Matters Laws" of 2015 to 2021 [L. 136 (I)/2015 - L. 132(I)/2021], and on the basis of the suggestions of the External Evaluation Committee, the comments of the institution on the External Evaluation Committee report, and the Feedback report from the External Evaluation Committee, **decided that the programme is accredited to be delivered in Greek, subject to the following conditions to be implemented within 12 months:**

- **Modernisation of the greenhouse facilities.**
- **Enrichment of the library resources through the acquisition of databases relevant to the field of study.**

The current accreditation begins in the Fall semester of the academic year 2026 – 2027 and ceases to be in effect at the end of the Spring semester of the academic year 2030 – 2031.

Based on (4)(c) of the relevant Law, it is noted that "the above accreditation is valid for the period provided by the provisions of the Law and is repeated every five (5) years and that the procedure starts at the request of the institution, which must, and shall be submitted at least sixteen (16) months before the expiry of the previous accreditation".

Additionally, based on Article (17)(3)(g) during the period of validity of the Accreditation, the Agency acting of its own motion, may examine whether the criteria continue to be met and if they are not met, then the Agency shall revoke the Accreditation, and immediately inform the institution concerned.
